

# **Non-commercial Surrogacy**

International Experiences  
and perspectives of  
non-commercial Surrogates

This is an invitation to be part of an online interview study, which focuses on the personal experiences and perspectives of non-commercial surrogates. We would like to learn more about firsthand experience of non-commercial surrogate and their surrogacy journey.

This study is part of the larger research URPP “Human reproduction reloaded” at the University Zurich, Switzerland. Find more information: <https://t.uzh.ch/1tV>

### We would like to welcome:

- Participants, who acted as a non-commercial surrogate in the past.
- All forms of surrogacy pregnancies (gestational or traditional).
- All types of experiences and constellations of surrogacy journeys.

### What happens when you take part:

- The interviews will be conducted by a member of the research project staff (Lea Heistrüvers).
- To be able to evaluate the interview scientifically, the interview will be recorded and afterwards transcribed into writing.
- The collected data and information within the study will be strictly anonymized and stored safely on the URPP servers (University Zurich) with high data security standards.
- The participation in this study is fully voluntarily and it is possible throughout the progress to withdraw from participating further without giving reasons.
- The interview will take about an hour to an hour and a half.
- The interviews will be conducted online via video call services.

If you are interested to be part of the study and are willing to share your own valuable experience and perspective of being a surrogate, please contact: Lea Heistrüvers, PhD Student, [lea.heistruevers@ibme.uzh.ch](mailto:lea.heistruevers@ibme.uzh.ch), <https://t.uzh.ch/1IA>
